## Advising Notes for Hospitality Management

1. It is important for students intending to transfer for HM to start working on the required 600 hours of related work experience **before** transferring to JMU. This is a pre-requisite to one of the HM junior year courses. Approved businesses and industries that will meet this requirement are hotels, motels, catering companies, restaurants. Food services for college dining halls, resorts, travel companies, airlines, cruise ship lines and event management companies. Students can provide copies of pay stubs or a memo from their supervisor documenting the number of hours worked.
2. Hospitality Management is a Bachelor of Science degree; two math courses are required.
3. HM majors also earn a minor in General Business. ITE 120 and ECO 202 satisfy minor requirements. ACC 244, Accounting for Non-Business Majors, is also required for the minor; there is not an equivalent at BRCC, but students may take **both** ACC 211 and ACC 212 and that will waive ACTG 244.
4. BUS 240 will take the place of HM 203 at JMU.
5. View options for [history electives](#), [natural science electives](#), [humanities/art/literature electives](#) (must take two courses from two different groups), [math electives](#), and [transfer core electives](#).
6. **Differential tuition for College of Business majors/minors:** Students will be charged an additional \$50 per credit for all College of Business courses taken at JMU. See [Differential Tuition](#) for more information.
