Advising Notes for Political Science

Political Science is a B.A. degree. The B.A. degree requirements are a philosophy class (PHI 100, **not** 220) and intermediate proficiency in a foreign language. **Please Note:** JMU does not grant credit for the introductory levels of a language that a student has studied for two or more years in high school. Students who are proficient or fluent in another language may elect to wait and take JMU's foreign language placement exam. It is possible to test out of the language requirement.

Information for Students Interested in Teaching High School Social Studies

- PSY 230 and EDU 200 should be taken as the social science and approved electives. They are required for admission to the College of Education.
- Political Science/Secondary Education students also complete the Interdisciplinary Social Science (ISS) minor for the endorsement in social studies. Students should choose HIS 121-122 as their history electives.
- If students elect to wait and take their foreign language courses at JMU, they can substitute ECO 201 or 202, and GEO 210 or 220. These courses also fulfill ISS minor requirements.

Admission to the College of Education

Once admitted and enrolled in courses at JMU, all students must apply to teacher education and be accepted before they can take the required education courses. Students who meet the criteria for the Guaranteed Admission Agreement (GAA) with JMU ([Guaranteed Admission Agreements](#)), have completed the coursework outlined in the advising guide for the appropriate teacher licensure area, and who have met the Teacher Education Admission Requirements outlined below will receive conditional admission into JMU Teacher Education during their first semester at JMU. Conditional admission to teacher education programs requires the completion of ENG 112 or equivalent (must transfer to JMU as WRTC 103), PSY 230 and EDU 200 with a grade of C or better, and satisfaction of the teacher education admission assessment requirements. See [Admission to Teacher Education](#) for more information. **Students cannot have any record of felony convictions or misdemeanors involving children or drugs.**

Other admission requirements include a cumulative JMU GPA of at least 2.5, satisfactory completion of training modules in universal precautions and child abuse prevention, and submission of two reference forms. These requirements should be completed by the end of a transfer student's first semester at JMU.

Students seeking teacher licensure in social studies must also complete the pre-professional secondary education program (5-year program) or double major in secondary education (4-year program). They must also demonstrate professional behavior and perform satisfactorily in practicums and key assessments in order to progress.

Graduate Program

Consult the [graduate catalog](#) for M.A.T. graduate requirements. Admission to and the satisfactory completion of the M.A.T. program are required in order to receive a recommendation through JMU for a teaching license at the secondary school level
