

Reviewing your transfer credit report

To see the full transfer credit report, click the Transfer Credit: Report in the other academics drop down menu within the student center. You will no longer use the Transfer Credit: Pending. This report will include posted, rejected, and in progress courses. It will also show Ap, IB and CIE credit.

For each course that transfers, you will see the transfer term, the incoming course, the number of units (credits) taken, the grade received, the course level, the status of the course, the JMU equivalent course, number of units (credits) granted, and grade as it will appear on your JMU transcript.
