

WRTC Major At-A-Glance:

Professional Writing and Publishing Track

Writing persuasively in traditional, visual, and digital environments for a targeted audience and purpose is a skill that transcends industry borders. Whether you want to pursue a career in business, publishing, the nonprofit sector, or freelance environments, this suite of courses will provide the skills necessary to succeed. Students gain advanced practice in editing, digital storytelling, proposal writing, and more. At the same time, they gain hands-on experience in project management, publication cycles, and writing consultancy, which prepares them for a variety of internships and jobs.
