Self-Administration Authorization of Medication Form

PROGRAM/EVENT/CAMP (PEC) Name: _____ Date(s): _____

This form must be completed fully in order for PECs to administer the required medication. A new medication administration form must be completed for each PEC attended, for each medication, and each time there is a change in dosage or time of administration of a medication. Self-medication requires licensed health care authorization and signature, and parent signature. It is NOT permissible for the minor participant to share any medications with any other participants or with staff. It is the responsibility of the parent(s)/legal guardian(s) to be sure that their minor participant's medications brought to the PEC are not left behind at the end of the PEC. Failure to do so will result in the medications being destroyed within three working days after the minor participant's last day at the PEC. Absolutely no medications will be returned via mail regardless of the circumstance.

* Prescription medication must be in a container labeled by the pharmacist or prescriber.
* Non-prescription medication must be in the original container with the label intact.
* An adult must bring the medication to the PEC.
* All medication must be securely kept by the PEC program director/or designee at all times while in attendance.
